This puppy/dog is guaranteed to be a Purebred Bloodhound, being sold in good Physical Health, free from parasites, and up to date on Vaccinations at the time of purchase. The purchaser has a period of 3 days after purchase date to have the puppy/dog examined by a Veterinarian of his/her choice. If the purchaser chooses to not have the puppy/dog examined within three days of purchase, then he/she accepts the puppy 'as is' at the time of sale.

This puppy/dog is guaranteed to be free of Genetic Health Disorders. Within the 1st 2 years after purchase, if the puppy/dog has not been bred, and it is found to have a Genetic Defect, Certified by a Reputable Veterinarian, rendering it to be incapacitated and an unsuitable companion, the purchaser agrees to surrender the puppy/dog to the Breeder with Signed Registration Papers, and the Breeder agrees to replace the puppy/dog with one of the same type and sex, and of equal sale value. Replacement will be a puppy/dog of the breeder's choice of stock on hand, or expected litters within one year. No Cash refunds will be made for the purchase. The Breeder may request a 2nd opinion to verify the said genetic defect prior to agreeing to replacement. All shipping costs and veterinarian expenses incurred are the sole responsibility of the purchaser and are Non-refundable.

The purchaser agrees to properly house their newly purchased puppy/dog, and to provide quality nutrition, and scheduled vaccinations/worming, and veterinary care, as needed. Any evidence that the puppy/dog has been neglected or abused will void this contract. This puppy cannot be sold to a pet shop/puppy broker or breeding kennel. If the purchaser feels he/she can no longer care for this puppy/dog, the breeder should be notified so as to assist in finding the puppy/dog a new suitable home.

If the puppy/dog is sold with Limited AKC registration or no papers, the purchaser agrees to not breed this puppy/dog. It is preferred that the puppy be spayed or neutered if it has been sold with Limited AKC registration or no papers, for the health of the puppy/dog. Breeding of a dog with Limited AKC registration or no papers would be in violation of this sales contract, and will make this contract null and void.

No guarantee will be made by the breeder for size, show quality, or breeding capability of this puppy/dog. The breeder assumes no responsibility for the puppy/dog after leaving the premises, regarding medical expenses or otherwise incurred expenses by the purchaser, without having express written approval from Rock Creek Bloodhounds.
